

DPD 8951-59

29 December 1959

25X1A5a1

Our Office of Security has asked for the return of the outdated building badge that was issued you in 1956.

I would appreciate very much if at your earliest convenience you would send me the badge in the enclosed self addressed envelope.

When you next come to Washington to serve as Consultant, you will be issued an up-to-date badge.

We extend best wishes for the coming year.

Very truly yours,

SIGNED
